We are off to a great school year! Just a few reminders to help as we get back in the swing of things. If your child is not coming for the day or will be late to school, please contact our office via email or phone by 8:00 a.m. in the morning. Contact information is listed at the top of this newsletter. Then, we can document information before teacher's take attendance in the morning. Also, if you need to change dismissal instruction for your child(ren)? Please have those forms in or contact the office by noon.

Drop off at the Door

Starting on Tuesday, September 3rd, parents will begin to drop off students at the door. We will have staff available to help as they enter. This is for safety and building

independence for our students. Parents are still welcome to come in and out of the office when needed.

Students getting picked up at Blessed Sacrament must wait with Mrs. May until a parent comes and gets them. We

want to keep everyone safe!

In order to reduce paper and make information more accessible for our families, the newsletter will now be emailed to you every Wednesday. The monthly lunch menu will be emailed to you monthly. You will get these electronically in lieu of paper. In the weekly email, our office will let you know if you should be expecting a black family folder that Wednesday or not depending on if there are any other items that need to go home that require paper. We will continue to post all of these documents on our website for your convenience as well.

After Care Pick up

If you are picking your child(ren) up from After Care, you will find them either on the playground in the back of the school or the children will be in the gym. Please go to the North Entrance marked "C" and call the number (608) 518-0461. We will keep those doors locked but someone will answer the phone and bring your child(ren) out to you.

Conference Night—On September 12th, we will be having 10 minute **required conferences** so parents can check in with teachers to talk about how the first few weeks are going.

Please make sure you reserve a spot using our webpage.

We ask that once children are picked up after school that parents take them off school grounds. We need to ensure that students are safe while at school and afterwards. We want our families to feel welcome but due to liability issues we must require that only children in After Care stay on school grounds after school. Thank you for your understanding of this necessary change.
